What to focus on in 2027

For the Simha (Leo) Moon sign, 2027 opens with Jupiter in the 1st house (your body, temperament and the way you meet the world) and Saturn in the 8th house (longevity, sudden change, hidden matters, research and inheritance). Focus on these areas and review your plans as the transits change below.

Key transits through 2027

Each interval includes its start and ends when the next begins. Retrograde returns to a sign appear as separate intervals. All times are IST.

> Jupiter: 1st house (your body, temperament and the way you meet the world) — slower progress and over-promising; keep plans realistic.
>
> 1 Jan 2027, 00:00 → 25 Jan 2027, 01:31

> Jupiter: 12th house (expenses, foreign lands, sleep, solitude and liberation) — slower progress and over-promising; keep plans realistic.

Total solar eclipse — 12th house (expenses, foreign lands, sleep, solitude and liberation)

2 Aug 2027, 15:36

Penumbral lunar eclipse — 6th house (daily work, health routines, competition and service)

17 Aug 2027, 12:43

These are global maximum times, not local visibility in India or your city. Houses use the Sun for solar eclipses and the Moon for lunar eclipses. An eclipse does not establish that a difficult event will happen; keep ordinary plans grounded in practical needs.

Method and limits

This is general Moon-sign guidance for reflection. Positions use Lahiri ayanamsa, whole-sign houses and mean Rahu–Ketu; classical favourable-house rules are used without vedha. Content is calculated by the advanced iAstroGuru Engine from fixed classical rules and passes multi-layer quality assurance. Your birth chart and dasha can change the interpretation. All times are IST; sign ingress is calculated to approximately one minute.
